

TURUNČH

Hotel Guest Amenities

The background of the slide features a soft-focus arrangement of natural ingredients. On the left, a green olive branch with several leaves extends diagonally. Below it, a stack of white, spiral-shaped bath bombs is visible. To the right, there are two glass bottles of varying sizes containing light-colored liquids, a small white jar, and a lit candle with a warm glow. The entire scene is set against a light, neutral background, creating a clean and natural aesthetic.

Introducing the new collection of Turunch Cosmetics;
takes care of our planet and take care of your guests.

Our collections, which are produced using completely natural raw materials, keeping the ecological balance, aim to minimize the negative anthropogenic effects on the environment.

We designed a collection that protects you and nature, with completely ecological, vegan and organic ingredients and 100% recyclable, biobased natural packaging.

biobased 

We created our products, which feature 100% biobased raw materials,
by following a zero-harm to nature policy.

We pursue the zero harm policy
in the collections that are
designed for protecting the environment,
plants, animals and the human health.

We use FSC certificated papers which guaranties to plant young trees instead of the trees cut down for paper productions.

A close-up, over-the-shoulder shot of a person with dark hair tied back, sitting in a white bathtub. The water is filled with thick, white bubbles. The person's back and shoulders are visible, and their skin is wet and glistening. The lighting is soft and natural, creating a serene and relaxing atmosphere.

We increase your and your guests' quality of life with our nature-inspired products.
